13. [REDACTED] LIAISON Charles Lombard, Senate Aeronautical and Space Sciences Committee staff, called with three items on his mind. He wanted to know if we had seen Senator Barry Goldwater's remarks on the floor of the Senate about the Director's dismissal and the need for continued Select Committee investigations. I told him we had indeed seen them and forwarded them to the Director. Secondly, Lombard asked if we were aware of any newspaper clippings which would support the argument that the proceedings of the Select Committees were damaging the Agency's operations abroad. I suggested he raise this with [REDACTED]

14. [REDACTED] ADMINISTRATIVE Called Mr. James Stimpson, OMB, regarding his suggestions to [REDACTED] that we make certain changes in our prepared statement before the Senate Judiciary Subcommittee on Administrative Practice and Procedure tomorrow. I told Stimpson that the statement was completed and ready to go to the Subcommittee and I felt we had adequately covered the points which he raised in slightly different words. After going over these items individually, Stimpson agreed but made it clear that we should not take a position with the Subcommittee which would be construed as support for Chairman Edward M. Kennedy's (D., Mass.) bill, S. 2515.

15. [REDACTED] LIAISON Called Guy McConnell, Senate Appropriations Committee staff, to advise him the Senate Subcommittees of Health and Administrative Practice and Procedure staffers were pressing us very hard to declassify several documents including IG reports which we felt we could not make public. I told McConnell I would appreciate it if he would inform Chairman McClellan of this development in the event he felt it appropriate to take the matter up with Senator Edward Kennedy (D., Mass.) at tomorrow's hearing. McConnell said he would talk with the Senator about it.

4. [] LIAISON Charles Snodgrass, House Appropriations Defense Subcommittee staff, called with respect to the trip that he and Ralph Preston, House Appropriations Committee staff, plan to make to Agency installations in January. They are anxious in talking with a particular individual while in [] and would also like to see IPAC as well as CINCPAC while in Honolulu.

5. [] LIAISON Talked with Jim Michie, Senate Judiciary Subcommittee on Administrative Practice and Procedure, and Dr. Horowitz, Senate Labor and Public Welfare Subcommittee on Health, regarding certain details pertaining to the Subcommittees' hearings on Friday. (See Memo for the Record)

6. [] LIAISON Don Lynch, Senate Armed Services Committee staff, called to say that he was having considerable difficulty in trying to make some comparisons between the United States and Soviet expenditures for navy programs. He said he had gotten some material from the Navy on this but was still quite perplexed. He said he had access to an Agency document of correspondence by [] stating that the Soviets have spent 1/2 times the U.S. expenditures for comparable Navy programs. He said he would like somebody in the Agency to brief him on how we put together our dollar figures on Soviet navy expenditures. He said he would like Soviet-U.S. Navy figures by year deliveries. I told him we were not at all certain we could be of help in the latter category since we did not keep book on the U.S. programs but would arrange to have someone get in touch with him to see what assistance we could provide.

7. [] LIAISON Talked with Charles Lombard, Senate Select Committee staff, to bring him up to date on our negotiations with Senator Edward M. Kennedy's (D., Mass.) Subcommittee on drug experimentation programs. I told him that we would be appearing before the combined Senate Labor and Public Welfare Subcommittee on Health, and the Senate Judiciary Subcommittee on Administrative Practice and Procedure, next Friday. Since a number of members of the Select Committee are also on these Kennedy Subcommittees, I thought Lombard and Senator Barry Goldwater (R., Ariz.), would be interested in this. Lombard took this opportunity to bring up the subject of the current situation with respect to the bill supported by Senator John L. McClellan (D., Ark.), and Senator Roman L. Hruska (R., Neb.), (S. 1), to revise the U.S. criminal code. Lombard suggested that some of our people contact Terry Emerson, on Senator Barry Goldwater's (R., Ariz.), staff regarding this area.

1. Walters (DDCI) would be at breakfast on the morning of 6 November. 2. [] LIAISON John T. Ticer, Senate Armed Services Committee, called and said that Ed Braswell, Chief Counsel and Staff Director, of the above Committee, would like us to make available for Don Lynch, staff member, of the above Committee, our World Wrapup Presentation for fiscal year 1976. He said they had transcripts for the 1974 and 1975 briefings but there was no transcript for 1976. Ticer thought we might have a memorandum or other background material that could be useful to Lynch. I told him I would check and be back in touch with him.

3. [] LIAISON Called Pat Holt, Chief of Staff, Senate Foreign Relations Committee, to tell him that in view of the announcement of the Director's dismissal, it was quite possible that Mr. Colby would not be available for the Committee briefing scheduled for this Thursday on Africa. Holt indicated that they did not necessarily need the Director under the circumstances and they would be willing to accept some other qualified witness. I told Holt I would check on this and get back in touch with him. Later in the day, after checking with the Director and Mr. Nelson, DDO, I advised Holt that the Director would not be available for the Thursday session, that General Walters, DDCI, would be out of the city and that the best substitute witness, Bill Nelson, is tied up in hearings with the House and Senate Select Committees for the balance of the week. I asked Holt for the Committee's indulgence in rescheduling our hearing at a later date at which time Mr. Nelson would be glad to appear. Holt said he thought he would have to go ahead with the session of Joseph Sisco, Department of State, this week and since Nelson would not be available next week, they would have to wait until after the Thanksgiving recess for Nelson's briefing. (Nelson and Mr. Proctor, DDI, were informed.)

1. [] Placed a call to Jim Michie Senate Judiciary Subcommittee on Administrative Practice and Procedure staff, and informed him that [] would be bringing down four sets of documents including the 1963 Inspector General's report for his and Tom Susman's, Chief Counsel of the Subcommittee, use. Michie wanted to know if he could keep everything except the IG report on loan until the hearings were over. I said that we would get back to him on that matter.

2. [] HEARINGS Spoke with Major George Lippencott, Office of Legislative Affairs, DOD. He reported that his meeting of 31 October of interested parties in DOD resulted in a decision to support Senator Edward M. Kennedy's (D., Mass.) proposed bill to establish a President's Commission for the Protection of Human Subjects. Aside from a few changes in language, particularly the word monitor for investigation, DOD will have no problem with the bill. There is no heartburn in DOD on the question of the Secretary being a member of the Commission. General Dirks will be the DOD witness for hearings which are scheduled for 7 November. He expects a call from us 1600 hours to coordinate responses on those areas where CIA and DOD interest overlapped.
